(HOUSTON, TX) November 13, 2023 — *Fiber in 3D* is an exhibition partnership between Houston Center for Contemporary Craft (HCCC) and *Fiber Art Now*, the international craft organization and quarterly journal. On view at HCCC January 27 - May 4, 2024, the physical iteration of this exhibition will showcase an immersive, experiential installation selected from *Fiber Art Now's* exhibition-in-print, *Fiber in 3D*, which is dedicated to fiber art that occupies space and explores dimension.

Fiber in 3D is juried by the *Fiber Art Now* creative team, Lori Butanis, Barbara Delaney, Cami Smith, and Beth Smith, and the corresponding installation in Houston Center for Contemporary Craft's Asher Gallery will be selected by HCCC Curator + Exhibitions Director Sarah Darro. *Fiber in 3D's* call for submissions is now open through November 30, 2023. Artists exploring scale and installation-based practice in fiber are encouraged to apply for this unique opportunity to exhibit work both in print and in physical space. Details about the selected installation will be available in December, 2023.

Fiber in 3D is organized by Houston Center for Contemporary Craft and *Fiber Art Now*.
